For the first time ever, the complete classic adventures of the Black Panther are collected in this, the first a line of Omnibus editions! Roy Thomas, joined by top artists including John Buscema, brought the Panther into the ranks of the Avengers and delved into his origins and backstory. Then, Don McGregor launched T'Challa's first solo series. His "Panther's Rage" was an adventure so huge it ranged across the savannah, into the deepest jungles and over snow-topped mountains.
